

M12 BDC8-0C

M12™ Sub Compact Drain Cleaner With Spiral Diameter 8mm

- Lightest professional drain cleaner on the market.
- Versatile design, provides benefits of both handheld and floor based drain cleaners in one machine.
- Best user flexibility and manoeuvrability due to the independence of electric power supply.
- Tool includes a tough 8 mm spiral for strong blockages in pipes up to 50 mm. It can also be used with all standard 6 & 8 mm spirals, from both MILWAUKEE® and other manufacturers.
- Robust drum shield protects user & fixtures from spinning drum during use.
- Easy removable inner drum helps to prevent spiral bind up and contains dirt inside the drum Quick cable lock mechanism for manual feeding and releasing the spiral.
- Integrated LED light illuminates work area underneath sinks and other dark spaces.
- REDLINK™ overload protection electronics in tool and battery pack deliver best in class system durability.
- REDLITHIUM™ battery pack provides superior pack construction, electronics and fade-free performance to deliver more run time and more work over pack life.
- Flexible battery system: works with all MILWAUKEE® M12™ batteries.

S1E Limited Specialist Suppliers of Trenchless Technology

No-dig Pipeline Repair

S1E Limited is a specialist supplier of trenchless technologies to the drainage repair industry. The company focuses on sourcing quality products for professional use. They are all tried and tested in the field to produce impressive results. S1E distributes high-quality products from market-leading manufacturers for the drainage repair industry. Products include camera inspection systems, cutting and cleaning tools, CIPP lining equipment and consumables, mechanical point repair devices, rat blockers and other site consumables.

S1E Limited is committed to being a quality supplier, with a focus on customer service. S1E is proud to be an active member of the UK Society for Trenchless Technology.

First established in 2007 as Fernco Environmental, the company's mission was to seek out repair products for the infrastructure repair and water management markets. Since 2016, it has re-focused its ranges to the specialist field of trenchless repair, with a growing portfolio in this specialist area.

The company is owned by Cooper Companies Inc, a US-based leader in the production of pipe couplings. The Group also owns companies in Canada, Mexico, Brazil, Germany and France, as well as the UK-based sister company to S1E, Fernco (previously, Flexseal).

It is accredited to ISO 9001: 2015 for its Quality Management System. It is also accredited to ISO 14001: 2015 for its Environmental Management System.
